

GENERAL INFORMATION
ABOUT YOUR CHANCES OF ACCESSING TO THE INNODESIGN NETWORK
AND BEFORE SUBMITTING AN APPLICATION

YOU ARE

A designer, an architect, an agency, a company, a society or you act as a freelancer, you apply for the **Innodesign Prize**.

You are a student or a group of students in your final year and you are supervised by a Professor or by your School or University, you apply for the **Innodesign Prize Junior**.

YOUR PROJECT

The Innodesign Prize and the Innodesign Prize Junior are awarded to a creator for a specific project.

It is this project that you will submit and not all of your work.

You are limited to 3 projects per creator per year.

INNODESIGN PRIZE

All the projects must have been completed, built, produced, published, implemented...

INNODESIGN PRIZE JUNIOR

The proposed projects are the results of the work of creation groups or research groups operating within their School or Universities, Training Centre etc.

The level must be that of professionals and therefore the groups are students in their final year.

All the files file will have to be completed and inform about the points required for professionals except patent filings.

CATEGORIES

Space design:	Industrial Design :	Communication design :	Textile design :
interior design, architecture, interior architecture, urban spaces	object and product	graphic design, visual design, digital design	
the project is realized, it has been built, set up, or is being built but has been accepted by the sponsors.	the product or object has been made, manufactured and tested on the market	the creation is completed and visible on the medium in connection with the prior order.	the product is manufactured and meets the demand of a customer or an industrial Research Centre

YOUR APPLICATION FILE

- The content of the file to be filled depends on the field in which you create or produce.
- It will be sent to you by email on simple request from you to the contact agency that concerns you.
- The files must be filled to present your project to the jury. The general questions relate to the approach, the conditions of analysis, the realization, the environmental aspects, the innovation, the technical choices etc.

Beware: if you do not fill the file and answer the questions even succinctly, the jury will not be able to evaluate with full knowledge and therefore will not be able to make a decision.

- The elements to provide (photos, plans, sketches, simulations) to accompany your request are very important, thank you for taking the necessary care. A specific list is on the file.

APPLICATION DATES AND SESSIONS 2021

The applications are organized in three sessions, each followed by a return of the jury's decisions

1 st Session :	2 nd Session :	3 rd Session :

IMMEDIATE BENEFITS

[The label](#)

It will be sent to you by email as soon as your invoice of 300€ is paid. It can be used immediately.

[Your access to the Forum](#)

An **access code** will be given to you together with the label.

This Forum will allow you to exchange with other laureates for collaborations, exchanges and services.

Requests for services: researches, follow-ups, advices, links with company managers, craftspeople, design actors for manufacturing, editing, building, information about suppliers, etc ... are the responsibility of **Vianney de Seze**, craftspeople agent. These services will be object to prior financial agreements.

[The service of communication and press releases](#)

For a better communication in the country of your choice

OTHER BENEFITS

[Your website page](#)

You will receive a model of a page to be filled out for the updating of the site. This model will be sent to you after the returns from the Jury and you will be asked to prepare it with a deadline on **October 15th** so that it is online for **November 15th**. It will have to be returned to your contact

[The diploma and the Trophy](#)

They are given to you during ceremonies organized by your contacts, the dates will be sent to all the laureates. Your presence will be required if you can't participate in the annual Ceremony. This event must be prestigious, you might be asked for a financial contribution in the organization of the reception.

[The annual Ceremony](#)

The annual Ceremony in the form of a Congress, with exhibitions of works, exchanges, and the promotion of the laureates of the year is organized according to the chosen location. The location of the annual ceremony depends on the offer and the circumstances: the proximity of a majority of laureates, the offers from our partners etc.. All the laureates will be informed as soon as the first engagements are made.

The annual ceremony is held in November of each year. Your presence is not compulsory. Participation is to be paid for.

As the development of 2021 is still uncertain due to the Coronavirus pandemic, we will keep you informed as soon as possible of our decisions.
