

INNODESIGN

GENERAL INFORMATION BEFORE SUBMITTING AN APPLICATION

YOU ARE

A designer, an architect, an agency, a company, a society or you act as a freelancer, you apply for the **Innodesign Prize**.

You are a student or a group of students in your final year and you are supervised by a Professor or by your School or University, you apply for the **Innodesign Prize Junior**.

YOUR PROJECT

The **Innodesign Prize** and the **Innodesign Prize Junior** are awarded to a creator for a specific project. It is this project that you will submit and not all your work.

You are limited to 3 projects per creator per year.

INNODESIGN PRIZE

All the projects must have been completed, built, produced, published, implemented...

INNODESIGN PRIZE JUNIOR

The proposed projects are the results of the work of creation groups or research groups operating within their School or Universities, Training Centre etc.

The level must be that of professionals and therefore the groups are students in their final year.

All the files will have to be completed and inform about the points required except for patent filings.

DESIGN CATEGORIES

Space design:	Industrial Design :	Communication design :	Textile design :
interior design, architecture, interior architecture, urban spaces	object and product	graphic design, visual design, digital design	
the project is realized, it has been built, set up, or is being built but has been accepted by the sponsors.	the product or object has been made, manufactured and tested on the market	the creation is completed and visible on the medium in connection with the prior order.	the product is manufactured and meets the demand of a customer or an industrial Research Centre

INNOVATION

Products, material, processes

YOUR APPLICATION FILE

- The content of the file depends on the field in which you create or produce.
 - It will be sent to you by email after return of the completed information page and payment of the administrative fees to the contact agency you are connected to.
 - The files must be filled to present your project to the jury.
 - The general questions relate to the approach, the conditions of analysis, the realization, the environmental aspects, the innovation, the technical choices etc.
- Beware:** if you do not fill the file and answer the questions even succinctly, the jury will not be able to evaluate with full knowledge and therefore will not be able to make a decision.
- The elements to provide (photos, plans, sketches, simulations) to accompany your request are very important, thank you for taking the necessary care. A specific list is on the file.

APPLICATION DATES 2022

The submissions of applications are starting on **February 15th, 2022** and ending on **July 31st, 2022**.

The results from the jury will be transmitted as soon as they are available, the deadline being **August 31st, 2022**.

FEES

Price for the Innodesign Prize	300€
Price for the Innodesign Prize Jr	150€

IMMEDIATE BENEFITS

[The label and the Certificate](#)

They will be sent to you by email as soon as your invoice of 300€ is paid. It can be used immediately.

[Your access to the Forum](#)

An access code will be given to you together with the label.

This Forum will allow you to exchange with other laureates and our team for collaborations, exchanges and services.

Requests for services: researches, follow-ups, advices, links with company managers, craftspeople, design actors for manufacturing, editing, publishing, building, information about suppliers, etc ...are the responsibility of **Vianney de Seze**, craftspeople agent and member of our team. You can contact him directly through the website information page.

OTHER BENEFITS

[Your website page](#)

If we get payment of the fees in due time, you will receive a model of a page to be filled out for the updating of the site. This model will be sent to you after the returns from the Jury and you will be asked to prepare it with a deadline on **October 15th** so that it is online for **November 15th 2022**.

[The Trophy](#)

Getting a Trophy is an option, it costs 25 €.

Trophies are given to you during ceremonies organized by your contacts, the dates of these ceremonies will be sent to all the laureates. Your presence will be required.

These events must be prestigious, you might be asked for a financial contribution in the organization of the reception.

[The Ceremonies](#)

They will depend on the offer and the circumstances: the proximity of a majority of laureates, the offers from our partners, the participation to a major event , etc.. All the laureates will be informed as soon as the first engagements are made.

The Ceremonies are held in November of each year. Your presence is not compulsory. Participation is to be paid for.

As the development of 2022 is still uncertain due to the Coronavirus pandemic, we will keep you informed as soon as possible of our decisions.
